**Subject:** this morning

**Personal Matters/Ex. 6** and will be back about 10:15. Lee, Jim and I have been working on Gold King mine. Several of the issues are CRFLO's- specifically, cooperative agreements with the State, Tribal and local governments, which Region 8 is actively pursuing, and a settlement of EPA's liability, which Steve Hess in CRFLO would handle.

Earl Salo

Assistant General Counsel for Superfund

Office of General Counsel

Environmental Protection Agency
